Track, manage, and understand your expenses easily

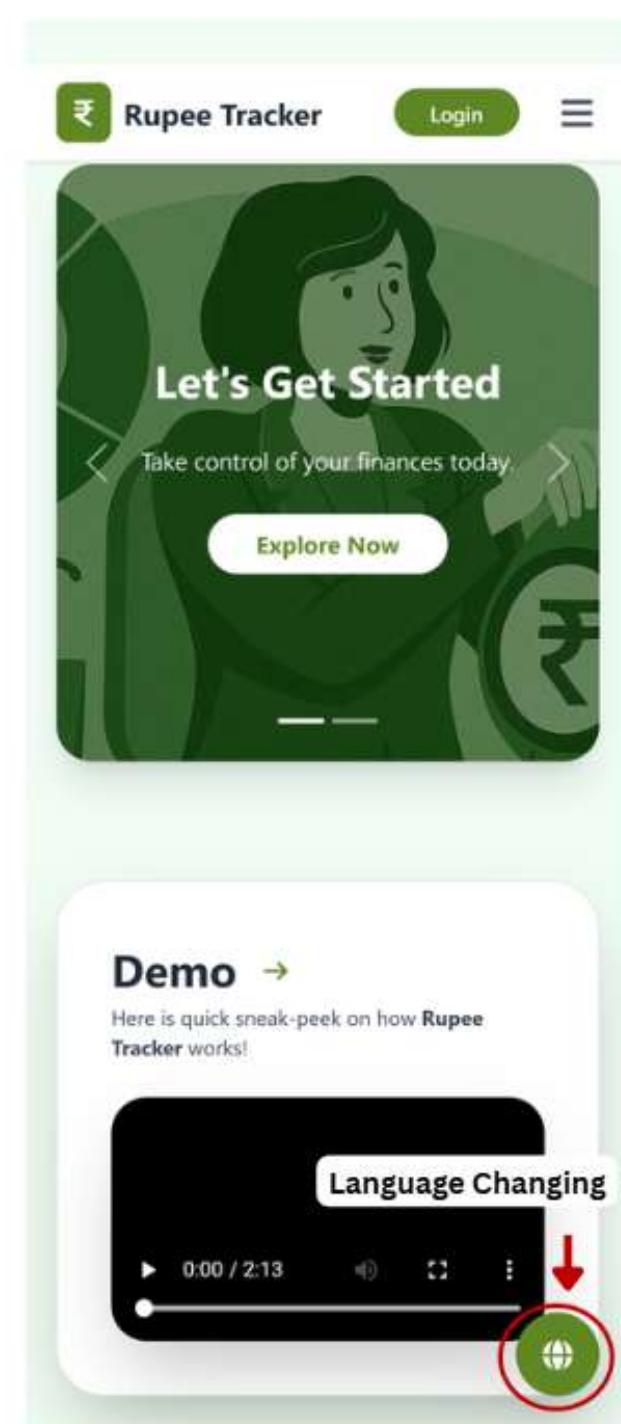

What is Rupee Tracker?

Rupee Tracker is a web application designed to help users record daily expenses and track their spending in a simple and organized way.

It allows you to manage your expenses based on the billing cycles, making it easier to understand where your money goes every month.

Key Benefits

- Easy expense tracking
- Clean and simple dashboard
- Organized by billing cycle
- Works smoothly on desktop and mobile

Rupee Tracker is ideal for anyone who wants clarity and control over their personal finances

Adding an Expense

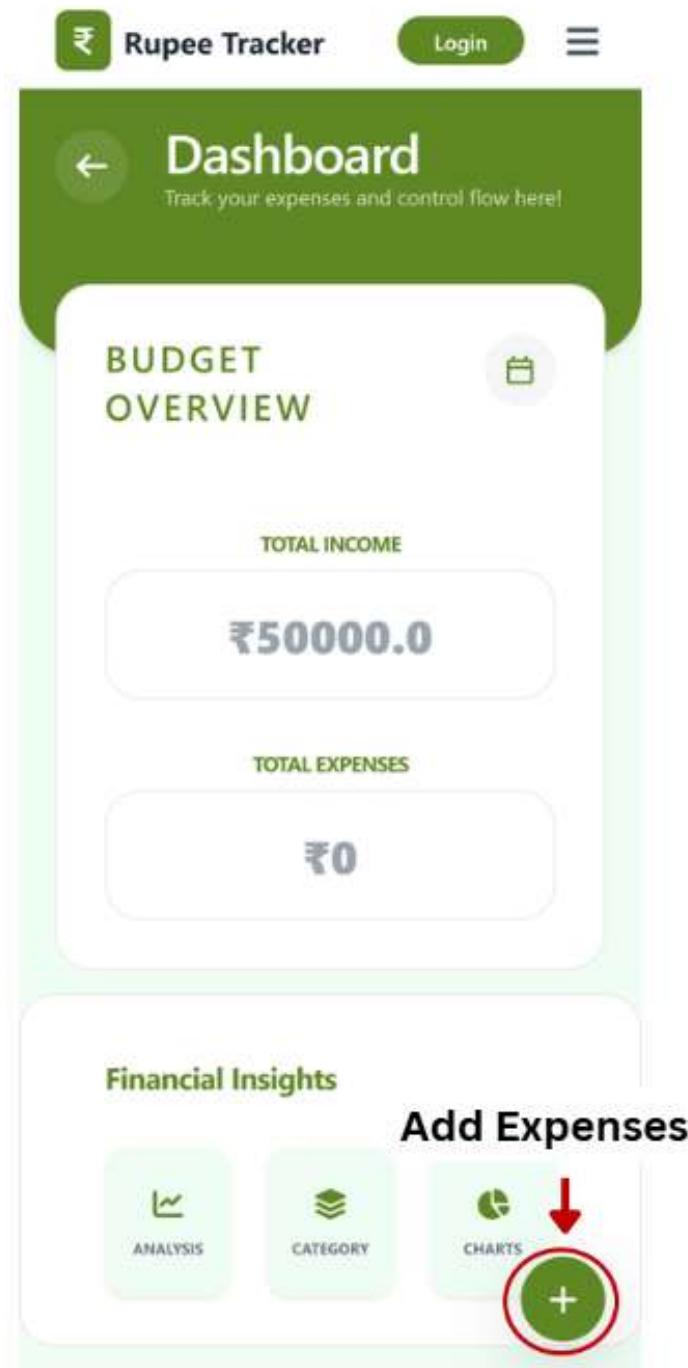

Recording your expenses is quick and easy

Steps:

1. Click on the “+” button
2. Enter the expense amount and details
3. Click “Add”

Once saved, the expense is automatically added to your dashboard and included in your total spending.

this helps you keep an accurate record of your daily expenses.

Editing an Expense

The screenshot shows a mobile application interface for managing expenses. At the top, there's a header 'Recent Expenses' followed by a list of recent transactions:

- Breakfast** (Food) Jan. 11, 2026: ₹300.0 (with edit and delete icons circled in red)
- Rent** (Housing) Jan. 2, 2026: ₹8500.0 (with edit and delete icons circled in red)

To the right of the expense list, there's a section titled 'Edit Expenses' with a green '+' button below it.

If you make a mistake or need to update details:

- Select the expenses you want to edit
- Update the information
- Save the changes

Deleting an expense

If an expense is no longer needed:

- Select the expense
- Click delete icon to remove it.

⚠️ Deleted expenses cannot be recovered, so use this option carefully.

Dashboard Overview

The dashboard gives you a clear view of your spending:

- Total expenses for the billing cycle
- Recently added expenses
- Organized and easy-to-read layout

All values update automatically whenever you add, edit, or delete an expense.

Helpful Tips

- Review your expenses regularly
- Keep expense details consistent
- Edit expenses instead of deleting when possible
- Track spending to improve financial planning
